Happy Easter

*May your Easter be happy,
 May your day be bright,
 May you enjoy the treats,
 And sweet delights.*

*But remember the meaning,
 Remember God's gift,
 Remember the resurrection,
 May your soul uplift.*

What is Life Insurance?

- Life insurance is more than just the protection of economic responsibilities of a family, business, person, or entity. Life insurance should be the foundation to a financial plan.
- If you are insured properly, with coverage equal to your human life value, all your needs will be covered.
- Learn more about this valuable means of protection when you buy *Life Insurance – Will it pay when I die?*

Why the Family Money Farm?

- Start thinking of your household as a business.
- Why 401k doesn’t work because it puts off taxes to a later time when taxes are higher than when you put the savings in.
- Learn how to save the right way and become self-sufficient. How to become your own banker and stop money debt.
